DESCRIPTION

The property comprises a mid-terraced office building of traditional masonry construction, surmounted with a pitched tiled roof. It has been extended to the rear to provide additional two-storey accommodation, enhancing the overall workspace.

Internally, the property offers predominantly cellular office space across both the ground and first floors, creating a well-structured and functional working environment.

Ground Floor: The layout includes a welcoming reception area, a meeting room, a boardroom, and several private office spaces, making it suitable for businesses requiring a combination of client-facing and private work areas. The ground floor also features WC facilities, including a disabled WC for accessibility compliance.

First Floor: Accessed via a stairwell at the rear of the building, the first floor provides well-appointed cellular office spaces, accommodating a range of professional and administrative uses.

The property benefits from emulsion-coated walls, carpeted flooring and kitchen and WC facilities.

Four car parking spaces are provided to the rear, with additional pay and display parking located nearby.
